

## MATERIAL FACT SHEET

### SKANDILOCK COWHIDE

Art.No 1760002-

Skandilock Cowhides origins from Brazil and is well suited as both decoration and for furniture upholstery. The hides are available in two types: Natural, undyed, where both color and pattern can vary strongly from sharp color fields in white, brown and black to more mottled shades of beige and brown - or colored and printed with graphic patterns mimicking zebra, tiger and leopard.
